

34M Convertible Bench/Table

Model 34M99291508
(Qty 2 Shown)

FEATURES

- Converts easily from a single-sided table to a comfortable bench. Two tables together make a full size cafeteria table.
- Ideal for auditorium, lunchroom and classroom seating.
- New 25" high model available for early childhood settings.
- On 7' and 8' models, eight points of floor contact and four legs under the bench seat provide proper load distribution and stability.
- 8' model top frame has additional structural bridging for added strength.
- Benches have no visible hardware on seating surface, maintaining surface integrity.
- Optional linking mechanism connects tables together securely.
- Tops feature Wilsonart® laminate for superior abrasion resistance. Meets or exceeds NEMA specifications.
- Edges are finished with EdgeGuard™, providing superior resistance to moisture and eliminating unsanitary food traps.
- Powdercoat metal finish colors are Black or Chameleon.
- Wheelchair-accessible models available.

OPTIONS

- Additional laminate colors and patterns available, including Formica®, Plonite® or Nevamar® surfaces - call for quote.
