Reliable Lift

Model 59T stool tables feature low maintenance hexagonal steel torsion bars for consistent lift performance.

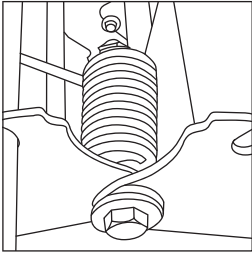

Secure Stool Plates

Heavy gauge steel plates secure stools on all models at four points, eliminating maintenance and breakage problems common to cone type stools.

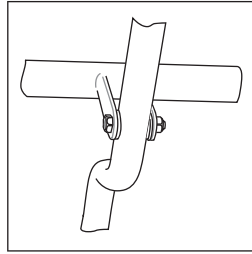

Superior Edging

EdgeGuard™ is a polyurea material bonded to the tabletop and benches for a sealed edge.

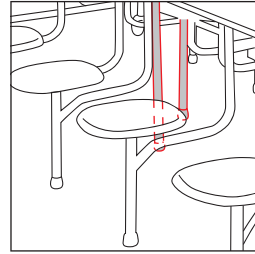

Secondary Lift Assist

Torsion springs in conjunction with torsion bars provide one of the easiest lifting tables on the market.

Better Pivot Points

All Hamilton Series mobile tables feature aircraft lock nuts and nylon bushings at major pivot points.

Center Leg

Two center legs provide additional load bearing capacity.
