Mimio

Interactive Teaching Technologies

MimioCapture™
\$299.00

- Create a complete, accurate copy of whiteboard notes and drawings in color, in the format of your choice.
- Convert handwriting to text in documents.
- Save everything you write or draw on your whiteboard in documents you can save, edit, and share later.

MimioVote™ 24 Vote Set - \$1699.00
32 Vote Set - \$1899.00

- Track progress through instant feedback as well as scores tallied over time.
- Download student results into spreadsheets and lesson plans, for clear achievement records.
- Place handsets anywhere in the storage tray to renumber automatically.
- Ensure student accuracy, since only appropriate answer buttons light up.
- Choose teacher-led or self-paced testing.
- Easily import standard tests and publisher's content.
- Take advantage of the system's compatibility with Microsoft PowerPoint.
- Never replace batteries - ever.

MimioTeach™

\$799.00

- Place our unique device - a compact bar - on your existing whiteboard.
- Connect your computer to a standard projector and access everything on your computer from your whiteboard.
- Create engaging lessons with MimioStudio software.

Concentrate on being a teacher, not a techie.

- Enjoy all the tools you need to encourage active learning.
- Be certain that its rugged design will help it last through years of classroom use.
- Meet the requirements of your school budget.
- Stylus Recharges when docked in the MimioTeach bar

MimioView™

\$599.00

- Enjoy effortless setup - just connect the camera to a USB port on your computer and you're ready to capture images.
- Forget about dealing with other power sources and wall cords.
- Annotate images, turn them into files or save them for future use.
- Capture dimensional objects and flat documents.
- Zoom in close on your subjects and capture images at an angle with the camera's gooseneck arm.

MimioPad™

\$299.00

- Slim and lightweight
- No special setup required
- Wireless operation with included receiver
- Works up to 30 feet from the computer
- Integrated stylus pen with tether cord
- Works with familiar MimioStudio software
- Connect multiple tablets to one computer
- Uses rechargeable batteries
